Subject: Havasupai BIA Electricity supply

Dear Commissioners:

Knowing of the health, safety and welfare interest of the ACC in the Supai Village of the Grand Canyon, as of last night Mohave Electric is advised there were no interruptions to the electric supply to the BIA along the 70 mile line to the Long Mesa transformer above the Supai Village reported to UniSource, Mohave Electric or APS. Mohave has had no information on damage (if any) to the BIA retail electric system in the Canyon to the Supai Village or interruption of electrical service by the BIA to its customers. The Electric Mutual Aid agreement is active and responsive if a request for electric system outage assistance is received. Mohave is advised Emergency Services and the Phoenix Food Bank are supplying emergency food, water and health needs of those who have been isolated, stranded or evacuated. Michael Curtis, General Counsel, Mohave Electric Cooperative
